4. How long have you known the applicant and under what circumstances have you become familiar with the applicant's academic abilities?

Text Response

I have known Miguel for 4 years. I oversee the International research and evaluation department at the American Institutes for Research (AIR). Miguel worked in the department for two years and served as a research associate on several projects where I was the principal investigator.

5. Please assess the applicant's ability to contribute to the Data Science for the Public Good Fellowship Program.

Text Response

Miguel is a highly driven, hard working, and technically strong researcher. He provides thoughtful contributions about analysis, interpretation, and discussion of data and results. Miguel is quite good about making research relevant and accessible to policymakers.

6. How would you describe the applicant's motivation and initiative in pursuing his/her academic and career goals?

Text Response

Miguel is incredibly motivated and hard working. He demonstrates a strong passion for conducting policy relevant research to help improve the world. I've watched Miguel develop into a well rounded applied researcher. He is quite dedicated to advancing his research skills and applying them to real world problems that help people. I think he would be a wonderful asset to the fellowship program and have lots to offer while he continues to grow his abilities.
