Transcript Key

Virginia Polytechnic Institute and State University (VPI&SU), also known as Virginia Tech, was founded October 1, 1872 as Virginia Agricultural and Mechanical College. In 1896, the name was changed to Virginia Agricultural and Mechanical College and Polytechnic Institute. In 1944, the name was changed to Virginia Polytechnic Institute. The University received its current name in 1970.

CALENDAR: Effective Fall 1988, Virginia Polytechnic Institute and State University converted to a semester system. Fall and Spring Terms are approximately 15 weeks in length followed by a one-week period of examinations. Summer terms are optional and are composed of two 6-week sessions. During the 2013-2014 academic year, a four-week winter term was added to the academic calendar.

COURSE NUMBERING SYSTEM: The first digit in course numbering designations denotes the year in which the course is ordinarily found in the curriculum outlines. Courses numbered 5000-7999 carry graduate credit as well as some courses numbered 4000-4999. Courses numbered 8000-8999 denote courses taught by the Virginia-Maryland College of Veterinary Medicine. Courses numbered 0100-0999 indicate courses in the two-year Agricultural Technology program.

COURSE TITLES: The following abbreviations may be found in some course titles.
IS Independent Study SS Special Study TS Topics Course

HONORS COURSES: Honors courses are designated by the letter H preceding or following the course number.

ELIGIBILITY TO ENROLL: Students are academically eligible to continue enrollment unless otherwise noted.

TRANSCRIPT VALIDATION: An official transcript, printed on secure paper, does not require a raised seal, and is valid only when it bears the signature of the University Registrar. Copies issued directly to students will be marked "Transcript Delivered Directly to Student in a Sealed Envelope." The University does not issue 'partial' or 'unofficial' transcripts.

GRADE POINT AVERAGE (GPA): The Grade Point Average (GPA) is determined by dividing Virginia Tech Quality Credits by the number of Virginia Tech hours attempted. Please note that Virginia Tech uses a 4.0 grading system.

ACCREDITATION: VPI & SU is accredited by the Southern Association of Colleges and Schools (SACS). In addition, many of the colleges and academic departments are fully accredited by their accrediting agencies. Refer to the university catalog for more details.

SPECIAL NOTES: Virginia Polytechnic Institute and State University does not issue partial transcripts nor does the University reproduce official or unofficial transcripts of academic work completed at secondary schools or other colleges or universities.
