

Dear Sir/Madam,

Upon review of your posting for Data Science for public good intern program, I am interested to submit my resume for your consideration. As a skilled graduate student at University of Virginia, I am confident that I would contribute to the objectives of your program. As a highly competitive professional, I would bring a service-focused and hard-working attitude to this role. I am currently doing Masters in Computer Engineering and this program will really help me in meeting new people, developing various skills and gaining experience with projects which will be helpful in sorting out today's world problems. I have very good problem solving skills with a lot of project experience.

I enjoy being challenged and engaging with projects that require me to work outside my comfort and Knowledge set, as continuing to learn new languages and development techniques are important to me and the success of your organization. I am a self-starter and excel at managing tasks in a fast-paced environment, delivering exceptional service.

I always have a lot of passion towards data and I love to work with various data like data analysis and data science. This opportunity will allow me to gain the real life experience with data

Your listed requirements closely match my background and skills. A few I would like to highlight that would enable me to contribute to your bottom-line are,

- Strong problem solving skills
- Strong quantitative and analytical skills
- Experience with Microsoft word,Excel Powerpoint
- Project Management skills
- Team Player
- Independent and Self Starter
- Good time management skills
- Quick Learner

I am sure that if I get this opportunity, I will use my maximum potential to contribute to the project and have good relationships with peers. I hope this will be a position where I can efficiently contribute my knowledge, skills and abilities for the growth of the organization and build my professional career with dedication and hard work.

My resume is attached. Please feel free to contact me at your convenience so we can discuss the position and your needs in detail. The best way to reach me is through phone at (703)795-4245, or by email at [kishorekarthickgs23@gmail.com](mailto:kishorekarthickgs23@gmail.com) Thank you for your time and consideration.

Sincerely,

Kishorekarthick
