4. How long have you known the applicant and under what circumstances have you become familiar with the applicant's academic abilities?

Text Response
I got to know Mr. LU in 2012 when he joined China Mobile (CMCC). I have become familiar with Mr. LU's abilities when he undertook and accomplished many important projects, e. g. the project for the wide deployment of Circuit-Switched-Fall-Back feature to facilitate iPhone users, and the project for the world's most advanced LTE-Vehicle experimental network experiment to promote the safety on driving and to alleviate traffic congestion, etc. Moreover, during his time at CMCC, Mr. LU published two journal papers and applied for a patent (patent pending).

5. Please assess the applicant's ability to contribute to the Data Science for the Public Good Fellowship Program.

Text Response
CMCC is a world-leading telecommunication cooperation. CMCC's business covers mobile voice service, data, wide band (WB), voice over Internet Protocol, multimedia, etc. Therefore, the company has a strong affinity to public services. Mr. LU has fulfilled in and made contributions to many important projects concerning public services, e. g. by analyzing communication data he perfectly maintained the mobile-network quality during G20, and assist local police to stream tourists in scenic areas of Hangzhou by monitoring real-time data size. Thus, I am confident that Mr. LU's analytical sensitivity and competence will contribute to the Data Science for the Public Good Fellowship Program.
