4. How long have you known the applicant and under what circumstances have you become familiar with the applicant's academic abilities?

Text Response
In November 2016, I met Troyana, who was a prospective applicant Georgetown University's MS in Math & Statistics, in my role as the Assistant Director of Graduate Studies. I have reviewed her admissions application, which is comprised of an impressive undergraduate academic record, and monitored her student progress.

5. Please assess the applicant's ability to contribute to the Data Science for the Public Good Fellowship Program.

Text Response
Troyana holds 4.0 GPA as a full-time MS in Math & Statistics graduate student. She is bright, articulate, and dependable. I have no doubt of her abilities to contribute to your program.

6. How would you describe the applicant's motivation and initiative in pursuing his/her academic and career goals?

Text Response

Troyana is very motivated in pursuing her academic and career goals. She began her undergraduate studies in another field before switching to math and statistics. Before applying to our program, Troyana had to take additional prerequisites over the course of a year. She is excelling academically and I'm impressed with her commitment to achieving her career goals.
