5. Please assess the applicant's ability to contribute to the Data Science for the Public Good Fellowship Program.

Text Response

Ms. Li produces high quality work, she has received perfect peer reviews for her classroom group problem sets, and she was an invaluable asset for her semester group project (which involved predicting Walmart sales from weather).

6. How would you describe the applicant's motivation and initiative in pursuing his/her academic and career goals?

Text Response

Fengdi is highly motivated, and often attended office hours to discuss matters beyond course material. Her group project also involved much material outside of the lecture material, which reflects academic diligence and a dedication towards goals.
